

Promote Worker Justice! Buy "Clean" T-shirts

Milwaukee has been named a "Fair Trade City"—one of only four in the nation! It's important to support this designation and the values behind it. One important way to start is to make sure that T-shirts purchased for activities are "clean"(made in a factory that pays a fair wage). The *Four Corners of the World* Fair Trade Store will order these shirts for you (for a \$10 fee, plus the cost of shipping). We can even help you find a silk-screener who will put your design on the shirts. Samples of colors can be seen at the store or at: www.nosweatapparel.com or www.ethicalgoods.org. The companies, colors, and prices are listed below:

BRAND	Made By	Description	Colors Available	Adult Sizes Available	Children's Sizes Available	Cost (or less, depending on order size)
